Follow the A55 North Wales Coast Road to J18.

At the roundabout head up the A470 towards Llandudno. Follow this road into the town centre, straight across the first 3 roundabouts, bearing right at exit 3 on the 4th roundabout, straight across the 5th. After the 5th roundabout you will pass a retail estate on your right (MacDonalds, Staples), ASDA will be on your left.

After you have passed ASDA, around 200 yds, the road forks. Take the left and follow VAUGHAN ST, bear right into AUGUSTA ST.

Straight through the lights to MADOC ST. We are $\frac{3}{4}$ of the way along this road on your left. 50 yds before a T Junction.

At the T Junction turn right onto LLOYD ST, then first right again into BACK MADOC ST – only 25yds away, this is a one way back street. After 100 yds on your left there is a multi-storey car park – drive up the ramp to parking bays – take ticket and pay on exit. You are about 1 minute away on foot when you exit the car park – try to find the exit which is clearly marked BACK MADOC ST, on the ground floor of the shopping mall – go through this and turn right along BACK MADOC ST, left when you come to LLOYD ST – left again at MADOC ST to 75point3.
