

### From the West

Travelling along the A55 towards Colwyn Bay, you will pass the junctions for Conwy, Llandudno Junction and Llandudno. As you approach Colwyn Bay take Junction 20, the slip road that goes **up** off the A55 - sign posted Rhos On Sea, Llandrillo Yn Rhos. At the traffic lights at the top of the slip road turn right. Drive for 25 yards to the mini roundabout and take the first left. After around 100 yds you will come to another set of traffic lights by Lidl supermarket. Stay in the left hand lane and veer left. Straight through the next lights which are only a short distance away – onto to Princes Drive. Stay on Princes Drive for approximately 0.3 a mile, you will travel past a petrol station on your left and then 150 yards further on there is a car park, also on your left - where you could park – as our office is only 150 yards from here. Turn left as you walk out of the car park, the next turning right you can make is Penrhyn Road, opposite Weatherspoons. We are half way up on your left hand side, next door to the Alliance & Leicester bank.
